Re: JHY Parcel

Qwest Corporation d/b/a CenturyLink QC will provide telephone facilities to JHY Parcel as defined by the current PUC Tariffs.

*Owner/Customer will be monetarily responsible for any cable relocates that may be required for this project. CenturyLink will need to be paid in full before any cable relocation can occur.

RE: JHY Parcel at 16186 US Hwy 6, Eagle, Colorado

Attn: Tambi Katieb.

The above mentioned development is within the certified service area of Holy Cross Energy.

Holy Cross Energy has adequate power supply to provide electric power to the development, subject to tariffs, rules and regulations on file. Any power line enlargements, relocations, and new extensions necessary to deliver adequate power to and within the development will be undertaken by Holy Cross Energy upon completion of appropriate contractual agreements and subject to necessary governmental approvals.

Please advise when you wish to proceed with the development of the electric system for this project

Sincerely,
HOLY CROSS ENERGY

RE: 16186 Hwy. 6, Eagle, CO

Dear Tambi:

The above mentioned development is within the certificated service area of SourceGas.

SourceGas has existing natural gas facilities located on or near the above mentioned project. At this time it appears that these existing facilities have adequate capacity to provide natural gas service to your project, subject to the tariffs, rules and regulations on file. Any upgrading of our facilities necessary to deliver adequate service to and within the development will be undertaken by SourceGas upon completion of appropriate contractual agreements and subject to necessary governmental approvals.

Please contact us with any questions regarding this project, and with a timeline of when you would like to proceed with your project.

Sincerely,

Todd Ellsworth
