8.03 Budget Hearing.

(1) The Council shall hold a public hearing on the proposed budget on or before the thirtieth (30<sup>th</sup>) day of November of each year.

(2) Notice of the time and place of such hearing shall be published at least once seven (7) days prior to such hearing, and copies of the proposed budget shall be made available to the public by depositing them in the office of the Town Clerk.

(3) The Council may at any time before final adoption increase, decrease, add or strike out any item in the budget.

8.04 Scope of Annual Budget.

(1) The budget shall provide a complete financial plan of all Town funds and activities for the ensuing fiscal year and, except as required by law or this Charter, shall be in such form as the Town Manager deems desirable or the Council may require.

(2) In organizing the budget, the Town Manager shall utilize fund, department, revenue, and expenditure/expense classifications and groupings consistent with generally accepted budgetary practices for municipal governments in keeping with guidelines published from time to time by the Government Finance Officers Association of the United States and Canada or its successor entity. The budget shall include a budget message from the Town Manager highlighting the key features of the budget. The budget shall lay out a clear plan for all the operations, programs, capital acquisitions, projects, and debt service payments of the Town.

(3) The budget shall display beginning fund balances, revenues and other sources of funds, expenditures and other uses of funds, transfers between funds, and ending fund balances for all governmental and proprietary funds of the Town, as defined by the Governmental Accounting Standards Board (GASB) or its successor entity. These displays shall include the actual, audited amounts for at least the immediately preceding year, the budgeted amounts for the current year, estimated amounts for the current year, and proposed amounts for next fiscal year.

(a) Reasonable provisions for contingencies may be budgeted for any fund.

(b) The total of proposed expenditures, including contingencies, shall not exceed the total of beginning fund balances available plus revenues and other sources of funds for any fund.

8.05 Adoption of Budget and Appropriation.

(2) Budget records are public records that shall be conveniently available to the public.

(3) If the Council fails to adopt a budget by this date, the amounts appropriated for the operation of the various departments and areas of the Town during the prior fiscal year shall be deemed adopted for the current fiscal year on a month to month basis, with all items prorated accordingly until such time as the Council adopts the budget for the current fiscal year.

8.06 General Fund. The General Fund is the Town's primary operating fund. All revenues not specifically allocated to any other fund shall be placed in the General Fund.

8.07 Other Funds. In addition to funds provided for in this Charter, the Council may by ordinance establish other funds, including enterprise and special purpose funds, as it deems necessary and appropriate in accordance with Generally Accepted Accounting Principles (GAAP). The ordinance establishing such funds shall clearly state the purpose for the fund.

8.08 Capital Program. The Council shall adopt a long-range capital program, the contents of which are designated by the Council, simultaneously with the recommended budget.

8.09 Transfer of Funds. Except as may be restricted by law, the Council may by resolution transfer any unencumbered appropriation, balance, or portion thereof from a fund to another.

8.10 Increase or Reduction of Appropriations.

(1) The Council may modify appropriations by resolution during the fiscal year for unanticipated budgetary issues. Such modified appropriations shall not cause total expenditures within a fund to exceed the beginning fund balance or the funds available plus anticipated revenues and other sources of funds within the fund as estimated in the budget.

(2) If at any time during the fiscal year it appears probable to the Town Manager or their designee that the funds available plus anticipated revenues and other sources of funds within any fund will be insufficient to meet the amount appropriated, the Town Manager shall provide a report to the Council without delay recommending any steps to be taken to correct the deficiency. The Council shall then take such further action as it deems necessary to correct the deficiency.

8.11 Records of Authorized Expenditures. Records of expenditures authorized to be made are public records that shall be conveniently available to the public.

(1) The Town may, subject to any applicable limitations in the Colorado Constitution, including any requirements for voter approval, borrow money and issue securities or enter into other obligations to evidence such borrowing in any form and in any manner determined by the Council to be in the best interests of the Town. All prior Town borrowing, securities, or financial obligations, including without limitation those involving voter-approved waivers or amendments to constitutional limits, remain in full force and effect.

(2) In addition to being authorized by this Article to issue bonds for any municipal purpose as authorized by law, the Town is specifically authorized, by ordinance, with or without an election, as determined by the Council, to issue revenue bonds or otherwise to extend its credit for the purpose of purchasing, equipping, constructing, or otherwise acquiring, extending or improving a water, sewer, or other public utility, facility or project, provided that the bonds or other obligation shall be made payable from the net revenues derived from the operation of such system, utility or project, or from the proceeds of any tax other than the general ad valorem tax imposed by the Town.

(a) Such bonds shall not be issued until a public hearing on the question of issuance of the same shall have been held.

(b) Notice of such hearing shall be published in advance.

8.14 Long-Term Rentals and Leaseholds.

(1) In order to provide necessary land, buildings, equipment and other property for governmental or proprietary purposes, the Town may enter into long-

Such agreements may include an option or options to purchase and acquire title to such property within a period not exceeding the useful life of such property. Each such agreement and the terms thereof shall be approved by ordinance.

(2) The Council may provide for payment of installments thereof out of the general *ad valorem* tax levy, by the imposition of rates, tolls or service charges for the use of such property or any part thereof, out of any other available municipal revenues or by any combination of the foregoing methods.

8.15 Short-Term Notes. The Town by ordinance may borrow money without an election in anticipation of the collection of taxes and issue short-term notes to evidence the amount so borrowed. Any such short-term notes shall mature within twelve (12) months.

Such compensation shall be paid as provided and be subject to mutual periodic renegotiation, and failure to pay shall result in forfeiture of the franchise at the option of the Council. This provision shall not except the grantee from any lawful taxation upon his or its property, nor from any license, charges or other impositions levied by the Council, not levied on account of the use granted by the franchise.

(2) Every non-Town owned public utility, whether it has a franchise or not, shall pay such part of the cost of improvement or maintenance of streets, alleys, bridges, and other public places as shall arise from its use thereof and shall protect and save the Town harmless from all damages arising from said use.

(3) Every such public utility may be required by the Town to permit joint use of its property and appurtenances located in the streets, alleys or other public places of the Town by the Town and by other utilities insofar as such joint use may be reasonably practicable.

- 9.10 Revocable License. The Council may grant a license at any time for the temporary use, control or operation of any Town-controlled property, provided such licenses shall be revocable at the will of the Council, regardless of whether or not such right to revoke is expressly reserved in such license.

The Town Clerk shall promptly send by mail a copy of the certificate to the Petitioners' Committee.

11.07 Action by Council. When an initiative or referendum petition has been finally determined sufficient, the Council shall, within thirty (30) days, either:

(1) Adopt the ordinance as submitted by the initiative petition; or

(2) Repeal the ordinance, or part thereof, subject to the referendum petition;  
or

(3) Determine to submit the proposal provided for in a petition to the registered electors of the Town; provided, however, the Council shall have power to change the detailed language of any proposed initiated ordinance and to affix the title thereto without changing the meaning of the initiated ordinance.

11.08 Results of Election.

(1) Initiative. If a majority of the registered electors voting on a proposed initiated ordinance vote in its favor, it shall be considered adopted upon certification of the election results. If conflicting ordinances are approved at the
