RE: Hay Meadow PUD Amendment

Dear Chad:

The purpose of this letter is to let you know that representatives from Hay Meadow have been in contact with Eagle County Schools regarding their plans to amend their PUD that if approved would affect the project's school land dedication. We understand Hay Meadow will be submitting this application in the near future. We look forward to providing you with formal comments on this proposal during the referral and town review process. Please do not hesitate to contact me or Tom Braun with any questions you may have.

Regards,

*Sandra Mutchler*
