Andy Clark Awarded “2020 Eagle Community Impact Award”.

Each year since 2014 the Town of Eagle has awarded the Town’s Community Impact Award. The award recognizes an Eagle individual, business or organization that is making a tangible impact on the community. The recipient is someone who is working to make Eagle a better place to live, work and play and represents the town’s creativity, resourcefulness and potential.

This year the Town of Eagle chose to award Andy Clark with the Eagle Community Impact Award. Andy is well known in the community for volunteering his time, equipment, and organizational skill to install and maintain the outdoor ice rink at Eagle Town Park each winter with a crew of volunteers. The ice rink is a wonderful amenity and it wouldn’t be possible without Andy and his team. From birthday parties, to pond hockey tournaments, to pick-up hockey games the ice rink provides an opportunity for families, adults, and kids to congregate outdoors and recreate in Town Park during the winter months. It’s truly one of the things that makes Eagle special and strengthens our community.

The Town of Eagle would like to say thank you to Andy for all his hard work, dedication and the immensely positive impact he has had on the community of Eagle.

For more information please contact the Eagle Special events department at events@townfeagle.org or 970-328-9625.
