**2022 WATER AND SEWER PLANT INVESTMENT FEE APPLICATION
COMMERCIAL, INDUSTRIAL AND INSTITUTIONAL**

The application for water and sewer service includes the calculation of **Plant Investment Fees (PIF)**, which have a two-fold function. First, the fees defray the Town's capital investment in the water and wastewater treatment plants and related major facilities. Second, the fee represents to the payee a permanent reservation of water plant capacity and right to use water from the water system, as well as a right to discharge sewage into the wastewater collection system, subject to the ordinances of the Town of Eagle.

Total EQR for Building ** _____

COMMON OPEN SPACE/LANDSCAPING

The following section calculates additional EQRs based on the area of common space to be watered on a regular basis. This excludes non-potable irrigation systems. Per the Town of Eagle Municipal Code, it is 0.25 EQR per 1,000 square feet. This calculation excludes 2,500 square feet per unit of multi-family residential, for all multi-family units, commercial, industrial, warehouse and public building uses. Lawn irrigation by methods other than sprinkler or automatic irrigation system shall be subject to rates established by the Board and in no event less than .25 EQR. Common open space other than individual lawns shall be subject to rates established by the Board.

Sprinkler or automatic irrigation system (\$1,750.00 per 1,000 square feet or fraction thereof) _____ x (0.25 EQR) = _____ x \$14,080 = \$ _____

Lawn irrigation by methods other than sprinkler or automatic irrigation system shall be subject to rates established by the Board and in no event less than 0.25 EQR _____ x (0.25 EQR) = _____ x \$14,080 = \$ _____
