Background

The RMF-1 Major Development Permit was approved by Town of Eagle on July 12, 2022. The approval included 76 units for development. In the approval the Developer committed to 9 LERP units and 11 Resident Occupied Units in all of RMF-1. The final plat conforms with the Filing 1 Preliminary plan by maintaining the access points defined in Filing 1 preliminary plan. It is also in conformance with no deviations from the major development permit for RMF-1 (DR22-01). The Developer acknowledges that the development complies with all applicable technical standards and specifications.
