Project: Red Mountain Ranch (RMR) – Parcel 1

Submittal: Preliminary Plan Review (PPR) – Initial Submittal

Mineral, Oil, and Gas Rights Narrative

Town of Eagle Planning Staff,

The Preliminary Plan Review submittal requirements include “Mineral, Oil, and Gas Rights Documentation”. There are no lessees of mineral, oil, or gas rights associated with the subject property. There are no lessees to provide contact information for or evidence of resolution. As such, this narrative has been provided in lieu of that documentation.

Thank You,

David Hoffman
